

# Ready for Tomorrow.

TBi Industries GmbH is a German provider of high quality welding equipment specialized on development and production of MIG/MAG and TIG torches for industrial use. In addition to handheld welding torches, the special focus is on torch technology and cleaning stations for robotic welding.

TBi Industries has a worldwide distribution network with its own production facilities in Europe and Asia. Our products have an excellent standing in the industries, reflecting our aiming at technically mature high-quality products.

TBi Industries is part of ESAB, a world leading manufacturer of welding consumables and welding and cutting equipment.
